Licenses:

American Board of Pediatrics XXXXX 2007-2014  
Medical Board of California XXXXX exp 1/31/2010  
DEA XXXXX exp 7/31/2006  
BLS Healthcare Provider  
PALS Provider / Instructor

Membership:

Professional Staff Association July 2007-present  
LA County Harbor UCLA Medical Center

American Academy of Pediatrics Sept 2004- present

Education:

**Harbor-UCLA Medical Center**, Torrance, CA July 2007-present  
Pediatric Emergency Medicine Fellow  
-Clinical instructor for residents and medical students

**Harbor-UCLA Medical Center**, Torrance CA July 2004 - June 2007  
General Pediatric Residency  
-Representative for Pediatrics, Committee of Interns and Residents (CIR) 2004-2007  
-CIR Bargaining Team 2006

**Vanderbilt University**, Nashville TN August 2000 - May 2004  
M.D. May 2004

**Emory University**, Atlanta GA August 1996 – May 2000  
Bachelor of Sciences in Biology with High Honors

Awards:

Redondo Beach Pier, Chalk Art Festival, Best In Show 2004, 2005, 2006  
AOA Medical Student Research Grant  
Emory Deans List 4 semesters  
Phi Sigma Biology Honors Society

Lectures/Instruction:

PALS Provider Class July 1<sup>st</sup>-2<sup>nd</sup> 2008  
Harbor UCLA Medical Center

“Gastrointestinal Emergencies” June 20<sup>th</sup> 2008  
Harbor UCLA PED Fellow Conference

“Validation and Development of a clinical decision rule for Apparent Life-Threatening Events “ May 20<sup>th</sup> 2008  
Research Seminar Joint PICU PED Fellow conference

“Acute Disseminated Encephalomyelitis” Harbor UCLA PED lecture series	May 15 <sup>th</sup> , 2008
“Evaluation and Treatment of the ex-premie in the PED” Harbor UCLA PED lecture series	February 12 <sup>th</sup> , 2008
“Enviromental Emergencies” Harbor UCLA PED Fellow Conference	Jan 15 <sup>th</sup> 2008
“Renal Emergencies” Harbor UCLA PED Fellow Conference	September 19 <sup>th</sup> 2008
“Neurologic Emergencies” Harbor UCLA PED Fellow Conference	August 28 <sup>th</sup> 2007
“Care of the Newborn/Infant a Parent’s point of view” Harbor UCLA General Peds noon lecture series	June, 15 <sup>th</sup> , 2007

Research:

**Dept of Emergency Medicine**

Harbor UCLA Medical Center

Dr. Marianne Gausche-Hill, Dr. Kelly Young Jan 2008 - present  
Retrospective study of 118 cases of Traumatic Full Arrest in Children

Dr. Marianne Gausche-Hill, Dr. Amy Kaji Jan 2008 - Present  
Validation of the use of the pediatric assessment triangle among the LA City Fire Department. Validation and Development of a clinical decision rule for Apparent Life-Threatening Events.

**Dept of Pediatrics, Division of Cardiology,** September 2006-June 2007

Harbor UCLA Medical Center

Dr. Ruey-Kang Chang

Retrospective studies on pediatric exercise testing data, evaluating Oxygen pulse as a non-invasive parameter for real time monitoring of cardiac function during exercise testing in children.

**Department of Cardiothoracic Surgery,** November 2000 – May 2004

Vanderbilt University

Dr. Drinkwater and Paul Chang

Retrospective studies on patient outcomes in cardio-thoracic surgery. Surgical experience with mock congenital heart surgery in porcine model, studying histological changes of brain after hypoxia and injury during surgery.

**Department of Biology/Pharmacology** August, 1999-May 2000

Rollins Research Center, Emory University

Dr. Keith Easterling and Dr Westmoreland

Research of the analgesic effects and tolerance of morphine and its metabolites on rats in acute and chronic scenarios through subcutaneous and intracerebroventricular administration

**Department of Rheumatology/Immunology**

Summers 1997-2000

University of California San Francisco, VA Medical Center

Studied the mechanism of autoimmunity in a murine model for systemic lupus erythematosus. focusing on treatment of nephritic syndrome with cyclophosphamide and CTLA4Ig by inhibiting T cell function.

Publications:

Gaye Cunnane, Owen T. M. Chan, Gail Cassafer, Seth Brindis, Elizabeth Kaufman, T. S. Benedict Yen, David I. Daikh; Prevention of renal damage in murine lupus nephritis by CTLA-4Ig and cyclophosphamide; May 2004: Volume 50, Issue 5 , Pages 1539 – 1548

Abstracts:

Seth Brindis and Anastasios Tsiatis. The Effect of Vitamin E on Human Radial Artery Vasoreactivity. Vanderbilt Research Forum 2002

Alon S. Aharon, Mahlon D. Johnson, Davis C. Drinkwater, Oliver B. Lao, Seth Brindis, Megan Thunder, Paul A. Chan; Nashville, TN; St. Louis, MO Activation of Mitogen-Activated Protein Kinases in the Brains of Neonatal Piglets During Circulatory Arrest and Low Flow Cardiopulmonary Bypass. The American Association for Thoracic Surgery 82<sup>nd</sup> Annual Meeting, Washington Convention Center, Washington , DC, May 5-8,2002

Unpublished work:

The Morphine Metabolite Morphine-6-Beta-D-Glucuronide (M6G) Produces Behavioral Signs of Opioid Dependence in Rats. *Honors Thesis Emory University 2000*

Additional Skills:

Spanish fluency, Set and Lighting Design, Drawing, Painting, Sculpture, Computer (Mac & PC) and AV equipment, Video Editing, Photoshop, Balloon Animals and Sleight of Hand Magic with Cards and Coins.
