

**WENDY C. COATES, M.D., F.A.C.E.P.**

**CURRICULUM VITAE**

**PERSONAL INFORMATION**

**Business Address**

Department of Emergency Medicine  
Harbor-UCLA Medical Center, Box 21  
1000 W. Carson Street  
Torrance, CA 90509-2910  
(310) 222-3500; fax: (310) 212-6101  
e-mail: [coates@emedharbor.edu](mailto:coates@emedharbor.edu)

**Family**

XXXXX  
XXXXX

**EDUCATION AND TRAINING**

**Undergraduate**

1981

Allegheny College, Meadville, PA  
Bachelor of Sciences, *Cum Laude*  
Double Major: Economics, Russian

**Post Baccalaureate**

1982 – 1984

University of Pittsburgh, Pittsburgh, PA  
Major: Science – *Summa cum Laude*

**Graduate**

1988

Case-Western Reserve University, School of Medicine  
Cleveland, OH  
Doctor of Medicine

**Internship & Residency**

1988 – 1991

Allegheny General Hospital, Pittsburgh, PA  
Emergency Medicine

**Fellowship**

1993 – 1994

ACEP/EMF Teaching Fellowship, Dallas, TX  
Educational Methodology and Clinical Teaching

**LICENSURE**

California       XXXXXX  
Pennsylvania    XXXXXX

**BOARD CERTIFICATION**

1992; 2002 (recertification)

American Board of Emergency Medicine Diplomate  
XXXXXX

**PROFESSIONAL EXPERIENCE**

**Academic Appointments**

1992 – 1999

Assistant Clinical Professor of Medicine  
UCLA School of Medicine  
Los Angeles, CA

1999 – 2005 Associate Clinical Professor of Medicine  
UCLA School of Medicine  
Los Angeles, CA

2005 – present Professor of Clinical Medicine  
Member, Academic Senate  
UCLA School of Medicine  
Los Angeles, CA

**American Board of Emergency Medicine**

2002 – present Item Writer for Emergency Medicine Certification Exam

**Harbor-UCLA Department of Emergency Medicine Appointments**

1992 – present Director, Medical Education

1992 – 2000 Department Coordinator, UCLA Medical Student Thesis Program

1992 – 1999 Coordinator, Intern Conference Series  
Designed and implemented curriculum for Emergency Medicine interns.

1993 – 1995 ACLS Course Director  
Red Cross Training Center Representative

2004 – present Director, Medical Education Fellowship  
Two year fellowship in educational methodology and research in medical education for graduates of accredited Emergency Medicine residency programs

**Medical School Appointments – David Geffen School of Medicine at UCLA**

**Administrative Leadership**

2000 – present Member, Acute Care College Advisory Board  
Participated in the Development of the Acute Care College Foundations curriculum (AC-01) and mentorship program.

2000 – 2004 Vice-Chair, Acute Care College  
Assisted in curriculum development, evaluation, and the management of College programs

2004 – present Chair, Acute Care College  
Direct all educational programs for the College, supervise faculty participants.

**Teaching**

1992 – present Course Director, EM 320.02  
Senior medical student sub-internship in EM

1994 Faculty, BMS-270  
Introduction to Patient Care, 2<sup>nd</sup> year medical students

1994 – present	Faculty, PE 320.01 Senior medical student sub-internship in pediatric EM
1994 – present	Faculty, PE 013 Core clerkship in Pediatrics
1994 – present	Faculty Advisor
1996 – 1997 and 1999 – 2001	Faculty, Doctoring 3 Year-long interdisciplinary course for 3 <sup>rd</sup> year students
1998 – 2003	Course Director, Pre-clinical Selective in EM Harbor-UCLA Medical Center
1998 – present	Faculty, Introduction to Clinical Years 3 <sup>rd</sup> year medical students
2000 – present	Course Director, AC 01 Acute Care College Foundations Course
2003 – present	Faculty and site director, Longitudinal Preceptorship in EM 3 <sup>rd</sup> year medical students
2003 – 2004	Faculty, MD 299.04 Transition to Internship senior medical student elective
2003 – 2004	Faculty, MD 299.03 Advanced cardiac life support senior medical student elective

**Other Professional Experience**

1981 – 1982	Systems Marketing Representative Xerox Corporation
1982 – 1984	High School Physics and Chemistry Teacher Sewickley, PA Curriculum redesigned, Junior Class Faculty Advisor Teaching Credential – Pennsylvania
1984 – 1986	G.E.D. Teacher Cleveland Heights, OH Teaching Credential – Ohio
1990 – 1992	Staff Physician, Emergency Department Canonsburg General Hospital, Canonsburg, PA
1989 -1991	Staff Physician, Emergency Department Ohio Valley Medical Center, Wheeling, WV

**COMMITTEE SERVICE**

**Elected Positions**

2004 – 2006	Member, Nominating Committee
-------------	------------------------------

Society for Academic Emergency Medicine  
Elected by entire membership to nominate officers and members  
of the Board of Directors for the organization

### **National Committees**

#### **Society for Academic Emergency Medicine**

1991	Resident Member, Education Committee
1993 – 1994	Member, Education Committee
1993 – 1994	Chair, Sub-committee on Undergraduate Education Education Committee
1996 – 1998 and 1999 – 2000	Member, Undergraduate Education Committee
1999 – 2001	Chair, “Virtual Advisor” Sub-committee
2001 – 2002	Co-Chair, Undergraduate Education Committee
2002 – 2004	Chair, Undergraduate Education Committee
2002 – 2006	Member, Educational Research Committee
2004 – 2006	Member, Research Committee
2004 – 2005	Chair, Membership Survey Task Force
2005 – present	Member, Simulation Interest Group

#### **Other National Committees**

2003 – 2006	Co-Chair, National Inter-organizational committee on medical student curriculum reform.
-------------	--

#### **Regional and State Committees**

1995 – 1998	Member, Education Committee American College of Emergency Physicians, California Chapter
1995 – 2000	Member, Professional Liability Committee Medical Insurance Exchange of California
2000 – 2001	Member, Planning Committee Western Regional Forum, Society for Academic Emergency Medicine

#### **David Geffen School of Medicine at UCLA**

2002 – present	Member, College Chairs Committee
2004	Member, LCME Curriculum Evaluation Committee

Faculty committee to evaluate the medical school's curriculum in preparation for the LCME site visit

2004 – present

Member, Medical Education Committee (MEC)  
Faculty committee that reviews and revises undergraduate medical curriculum

2004 – 2007

Chair, Medical Student Thesis Committee  
Faculty committee that oversees the senior thesis program for the School of Medicine

2005 – 2006

Member, Grading Task Force  
Ad hoc task force charged by the Medical Education Committee to evaluate the current grading system and provide recommendations.

2006 – 2007

Member, Clinical Education Task Force  
Ad hoc task force charged by the Medical Education Committee to revise the entire clinical continuum of the School of Medicine (Years 3 and 4)

2007 – present

Chair, Faculty Development/Clinical Teaching Task Force  
Ad hoc task force charged by the Faculty Executive Committee to explore the development of teaching academies at the School of Medicine.

### **Hospital Committees**

1992 – 1993

Member, Trauma Quality Assurance Committee  
Harbor-UCLA Medical Center

1992 – 1996

Member, Library Committee  
Harbor-UCLA Medical Center

1992 – 1999

Member, Radiology Committee  
Harbor-UCLA Medical Center

1997

Member, Re-engineering Design Team  
Harbor-UCLA Medical Center

1998 – 1999

Co-Chair, Radiology Committee  
Harbor-UCLA Medical Center

2000 – present

Member, Clinical Laboratory Committee  
Harbor-UCLA Medical Center

### **Department Committees**

1993 – present

Member, Education Committee, Emergency Medicine  
Harbor-UCLA Medical Center

### **Medical School Committees**

1984 – 1986

Treasurer, Student Government  
Case-Western Reserve University, School of Medicine

**University Committees**

1978 – 1980 Member, Curriculum Committee  
Allegheny College

**Community Service**

1982 – 2006 Member, Alumni Admissions Committee  
Allegheny College

1992 – 1996 Mentor, California Academy of Math and Science  
Los Angeles, CA

1994 – 2006 John Tracy Clinic  
Los Angeles, CA

1996 – 1999 Volunteer Science Teacher, Carden Elementary

1998 – 2001 Girl Scout Leader  
Girl Scouts of the USA

2000 – present Volunteer, Ocean View School District  
Huntington Beach, CA

2003 – 2005 Chair, Research Committee  
GATE (Gifted and Talented Education)  
District Advisory Committee  
Ocean View School District, Huntington Beach, CA

2006 – present Boy Scout Merit Badge Counselor and Cub Scout Volunteer  
Boy Scouts of America

**Professional Associations**

1984 – 1993 Member, American Medical Association  
1988 – present Member, American College of Emergency Physicians  
1990 – present Member, Society for Academic Emergency Medicine  
1998 – 1992 Member, Pennsylvania Chapter

American College of Emergency Physicians

1992 – present Member, California Chapter

American College of Emergency Physicians

1994 – present Member, Alexander Graham Bell Assn for the Deaf

1995 – 1999

Member, Auditory-Verbal International Association

2000 – present

Member, Council of Residency Directors

**EDITORIAL SERVICES**

1995 – 2003 Assistant Editor, Emergindex

1996 – present Reviewer, Academic Emergency Medicine

2003 – present Reviewer, Annals of Emergency Medicine

2005 – present Reviewer, Research in Medical Education (RIME) for the Association of American Medical Colleges (AAMC)

2006 – present Reviewer, Teaching and Learning in Medicine

2007 –present Section Editor, Education. Journal of Emergency Medicine

### CONSULTING ACTIVITIES

2005 – present Medical Advisor to Orange County based ballet company

### MENTORING ACTIVITIES

1993 MS4, Shabani: Thyrotoxicosis and chest pain  
First Place Award in National Medical Student CPC

1994 Resident, Ferkich: Development of EM Intern Conference Series  
Educational Curriculum Development Project

Resident, Mucahy: Research Mentor. New onset atrial  
fibrillation: Is admission necessary?  
Abstract presented at ACEP Research Forum  
Manuscript published in Academic Emergency Medicine

1995 Resident, Zeumer: Research Mentor. Why do students choose a  
career in Emergency Medicine?  
Abstract presented at Society for Academic Emergency Medicine  
national meeting.

1996 Resident, Davis: Wound Management Review.  
Emergindex.

MS4, Brink: Discharge Instructions for people with low  
functional literacy. UCLA Honors Thesis project advisor.

1997 Resident, Nguyen: Appendicitis Review. Emergindex

Resident, Munoz: Curriculum Development project for medical  
students

1998 Resident, Fernandez: Anaphylaxis review. Emergindex

Resident, Strukel: Pneumothorax review. Emergindex.

MS4, Nakagawa: Pituitary apoplexy. UCLA Honors Thesis  
Project advisor.

Resident, Fernandez: supervising co-author, Lacerations to the  
extremities and joints, in Tintinnali, Emergency Medicine Study  
Guide, 5<sup>th</sup> edition

Resident, Chau: Tissue adhesive complications. Case report  
advisor.

- 1999
- MS4, Schoeman: Radiographic presentations of gunshot wounds. Presented at Western Student Regional Forum.
- MS4, Massoudian: Web-based educational project advisor.
- Fellow, Fernandez: Mentor for teaching Doctoring 3 at UCLA School of Medicine.
- 2000
- Fellow, Fernandez and MS4, Perez: Research mentor. Ultrasound curriculum for medical students; prospective study. Presented at Society for Academic Emergency Medicine national meeting.
- Resident, Lin: Research mentor. Tissue adhesive skills. Prospective study. Presented at Society for Academic Emergency Medicine national meeting. Manuscript published in Pediatric Emergency Care.
- MS4, Crowley: Mentor for Doctoring 4 teaching fellowship
- 2001
- MS4, Khuu: Research mentor. Hand washing in the ED. Presented at Western Students Forum.
- MS1, Gendy: Research mentor. EM rotation, can we provide a standard experience for all students? Presented at Society for Academic Emergency Medicine. Winner – Best Medical Student presentation (Midwest regional forum)
- MS3, Kosiak: Research mentor. Virtual Advisor – linking students and mentors via the WWW. Presented at Society for Academic Emergency Medicine national meeting and Western Regional Forum.
- 2002
- Resident, von Trampe. Laceration repair chapter in Clinical Emergency Medicine: A guide for all practitioners
- MS4, Shen. UCLA Honors thesis advisor. A history and physical exam based guide to stock evaluations for physicians.
- 2003
- MS4, Jordan: Research mentor. EM Clerkship directors. Presented at SAEM Western Regional Forum.
- MS2 Hui: Emergency Medicine Interest Group Project Advisor. Mentored student in nationally competitive grant preparation and design of educational video project on the dangers of alcohol use for medical students. Grant from Society of Academic Emergency Medicine.
- 2004
- Intern, Lampe: Research mentor. Does clinical contact improve demonstration of knowledge in medical students? Selected for presentation at SAEM Western Regional Forum (2004) and national SAEM research meeting (2004). Publication in Academic Emergency Medicine (2008).

- MS4, Osugi: Does reading material improve patient satisfaction in the ED? Selected for presentation at SAEM Western Regional Forum (2004)
- MS4, Griffin, Hui, Tzao, and Zaia. Research project advisor for web-based tutorial on management of Alcohol poisoning for pre-clinical students. Selected for presentation at SAEM Midwest and Mid-Atlantic Regional Forums.
- 2005 MS4, Tzao. Research project advisor for the development and evaluation of a web-based tutorial on altered vital signs.
- 2006 Fellow, Spector. Research Mentor. Knowledge of Legal Aspect of Medicine by Medical Students. UCLA Research Presentation. Transition to Internship Curriculum. Selected for Presentation at Council of Residency Directors (CORD) Poster Session
- Resident, Dabby. Development of an informational website for medical students interested in Emergency Medicine. Published on the UCLA School of Medicine website.
- MS1, Stucky. Short Term Training Program (STTP). Mentored research project. Abstract published in the Journal of Investigative Medicine.
- 2006 Resident, Tamayo-Sarver. Research Advisor. Dezelon LC, Tamayo-Sarver JH, Coates WC, Dawson NV, Cydulka RK. Acceleration of acquisition of clinical expertise via chief complaint-based structured data collection and lecture: A preliminary study. Submitted to Teaching and Learning in Medicine.
- 2007 Resident, Huffman-Dracht. Case Report. Huffman-Dracht HB, Coates WC, Uterine leiomyomata related thromboembolic disease – A case report. Journal of Emergency Medicine.
- Also, supervised textbook chapter: Huffman-Dracht HB, Coates WC. Anorectal Foreign Bodies. In Shah et al., Essential Emergency Procedures. Lippincott, Williams and Wilkins.
- 2008 Medical Student, Lee. Research Advisor. Lee C, Coates WC. Emergency Medicine Interest Group: Faculty and student opinions differ for curriculum. Presented at SAEM Western Research Forum 3/2008 as an oral paper.
- 2008 Graduate Student, UCLA School of Education: Social Methodology PhD program, Richter, M.A. Research Advisor, CPX performance evaluation. Mentor for pre-doctoral research project.

#### HONORS AND SPECIAL AWARDS

1979 – 1981

Frederick Wilbur Main Academic Scholarship

	Allegheny College
1978 – 1981	Alden Scholar (Dean's List) Allegheny College
1980	Pi Gamma Mu National Honor Society
1981	Alden Scholar with Highest distinction at graduation Allegheny College
1981	Moessner Prize – Highest achievement in foreign language Allegheny College
1981	Modern Language Association Award for highest achievement in the Russian language. Allegheny College
1981	Graduation Honors Awards in Major fields of study Allegheny College
1981	Honors for undergraduate thesis project: Immigration and assimilation: An economic perspective.
1983	National Teaching Excellence Award
1986 and 1987	Research Award Case-Western Reserve University, School of Medicine
1994	Fellow, American College of Emergency Physicians
1997	Best Elective Clerkship (EM 320.02) UCLA School of Medicine
2003	Research Award, First Place American College of Emergency Physicians, California Chapter Research Forum, Newport Beach, CA
2004	Award for Excellence in Teaching David Geffen School of Medicine at UCLA Peer award for career excellence in education.
2008	Outstanding Reviewer Award <u>Academic Emergency Medicine</u>

## RESEARCH GRANTS

1985	Principal Investigator Evaluation of Health Care in the USSR. Case-Western Reserve University School of Medicine, Department of Family Medicine Grant \$1000
1986	Principal Investigator Flexor hallucis longus tendonitis in ballet dancers. Case-Western Reserve University School of Medicine,

	Department of Orthopedics Grant \$1000
1992 – 1994	Co-Investigator. (Principal investigator: D. Baker) Literacy in Health Care Emory University (sub-contracted from the Robert Wood Johnson Foundation) \$752,108 (Grant # 19558)
2002 - 2003	Project Advisor, Emergency Medicine Interest Group – UCLA Identification of acute alcohol poisoning and what to do before EMS arrives Society for Academic Emergency Medicine EMIG Grant \$500

## PRESENTATIONS

### National and International Research Presentations

#### Society for Academic Emergency Medicine National Meeting

May 1993	Assessment of literacy levels in Spanish speaking patients San Francisco, CA
May 1993	The health care experience of patients with low literacy San Francisco, CA
May 1993	ED telephone advice – who's calling? San Francisco, CA
May 1995	Why do students choose a career in Emergency Medicine? San Antonio, TX
May 2000	Tissue adhesive skills study: The physician learning curve San Francisco, CA
May 2000	Emergency medicine sub-internship – A standard experience for all students? San Francisco, CA
May 2001	Virtual advisor program – linking students to mentors via the WWW. Atlanta, GA
May 2001	Evaluating an ultrasound curriculum for medical students Atlanta, GA
May 2002	Emergency medicine sub-internship – Can we provide a standard clinical experience for all medical students? St. Louis, MO
May 2002	Virtual advisor program – An assessment of its inaugural year St. Louis, MO

May 2003	Full-scale human simulation – A comparison of two interactive teaching modalities. Boston, MA
May 2004	EM sub-internship – Does a standard clinical experience improve performance outcomes? Orlando, FL
May 2004	Clerkship Directors' Handbook – Innovation in EM Education Orlando, FL
May 2004	Teaching Professionalism to Medical Students Orlando, FL
May 2004	V-Lectures – A Supplement for Educators

American College of Emergency Physicians – National Research Forum

June 1994	New onset atrial fibrillation: Is admission always necessary? San Diego, CA
-----------	--

**Regional and State Research Presentations**

June 2000	Emergency Medicine sub-internship – A standard experience for all medical students? California chapter, American College of Emergency Physicians Research Forum, Dana Point, CA
March 2002	Virtual advisor program – An assessment of its inaugural year Society for Academic Emergency Medicine Western Regional Forum, San Diego, CA
March 2002	Emergency medicine sub-internship – Can we provide a standard clinical experience for all medical students? Society for Academic Emergency Medicine Western Regional Forum, San Diego, CA
March 2003	Emergency medicine clerkship directors – defining the characteristics of the workforce. Society for Academic Emergency Medicine Western Regional Forum, Scottsdale, AZ
June 2003	Full-scale human simulation – A comparison of two interactive teaching modalities. California chapter, American College of Emergency Physicians Research Forum, Newport Beach, CA
March 2004	EM sub-internship – Does a standard clinical experience improve performance outcomes? Society for Academic Emergency Medicine Western Regional Forum, Oakland, CA
March 2004	Does reading material improve ED patient satisfaction? Society for Academic Emergency Medicine Western Regional Forum, Oakland, CA

**Visiting Professorships**

June 2000 West Virginia University Department of Emergency Medicine  
Morgantown, WV

**International Invited Lectures**

1995 Cricothyrotomy Workshop  
International Symposium on the Difficult Airway

1996 Emergency Department Management of the Difficult Airway  
Society for Airway Management Annual Meeting

1997 Emergency Airway Management in the Obese Patient  
Society for Airway Management

June 2000 Challenges in Providing Emergency Medical Care to the Rural  
Aging Populations  
1<sup>st</sup> International Conference on Rural Aging: A Global Challenge

**National Invited Lectures**

1998 Delivering Bad News: Dealing with Death in the ED  
American College of Emergency Physicians Scientific Assembly

1998 Wound Management Workshop  
American College of Emergency Physicians Scientific Assembly

1998 Suturing for Pediatric Office Practice  
Advanced Pediatric Life Support Course  
American Academy of Pediatrics Annual Meeting

October 1999 Anorectal Emergencies  
American College of Emergency Physicians Scientific Assembly

October 1999 Delivering Bad News: Dealing with Death in the ED  
American College of Emergency Physicians Scientific Assembly

June 2000 Anorectal Disorders  
Department of Emergency Medicine, West Virginia University  
School of Medicine

November 2001 The Impact of Early Identification of Hearing Loss in Children  
Auditory-Verbal International Symposium

November 2001 Mainstream Education of Hearing Impaired Children  
Auditory-Verbal International Symposium

May 2002 Selecting the Right EM Residency  
Medical Student Forum  
Society for Academic Emergency Medicine

May 2002 Virtual Advisor Program – A Tool for Medical Educators  
Medical Student Educators Didactic Program

	Society for Academic Emergency Medicine
February 2003	Teaching Medical Students Navigating the Academic Waters (Faculty Development Course) Council of Residency Directors (CORD)
February 2003	Advising Medical Students Navigating the Academic Waters (Faculty Development Course) Council of Residency Directors (CORD)
May 2003	Selecting the Right EM Residency Medical Student Forum Society for Academic Emergency Medicine
May 2003	Moderator, Interactive Poster Session, Topic: Education Annual Meeting Society for Academic Emergency Medicine
October 2003	Advanced Wound Closure Techniques Scientific Assembly American College of Emergency Physicians
October 2003	Advanced Facial Wound Care Skills Lab Scientific Assembly American College of Emergency Physicians
March 2004	Teaching Medical Students Navigating the Academic Waters (Faculty Development Course) Council of Residency Directors (CORD)
March 2004	Advising and Feedback in Medical Education Navigating the Academic Waters (Faculty Development Course) Council of Residency Directors (CORD)
March 2004	Simulation in Emergency Medicine Education Best Practices Conference Council of Residency Directors (CORD)
May 2004	Educational Research in EM – Examining the Literature Annual Meeting Society for Academic Emergency Medicine
May 2004	How to Get Good Advice Medical Student Forum Society for Academic Emergency Medicine
May 2008	Panelist, 4 <sup>th</sup> Year of Medical School WGEA/WGSA Annual Meeting

#### **Regional and State Invited Lectures**

June 1995	Wound Management Workshop California chapter, American College of Emergency Physicians State Scientific Assembly
-----------	--

June 1996	Advanced Wound Management Workshop California chapter, American College of Emergency Physicians State Scientific Assembly
June 1997	Plastic Techniques in Suturing California chapter, American College of Emergency Physicians State Scientific Assembly
June 1997	Wound Management Refresher Course California chapter, American College of Emergency Physicians State Scientific Assembly
June 1998	Advanced Wound Management Workshop California chapter, American College of Emergency Physicians State Scientific Assembly
March 1999	Moderator, Medical Student Forum Western Regional Research Forum Society for Academic Emergency Medicine
June 2000	Anorectal Disorders California chapter, American College of Emergency Physicians State Scientific Assembly
June 2000	Advanced Wound Management Workshop California chapter, American College of Emergency Physicians State Scientific Assembly
March 2001	Moderator and Planner, Medical Student Forum Western Regional Research Forum Society for Academic Emergency Medicine
March 2001	Exploring EM Career Opportunities – A Guide for Medical Students Medical Student Forum Western Regional Research Forum Society for Academic Emergency Medicine
March 2002	Exploring EM Career Opportunities – A Guide for Medical Students Medical Student Forum Western Regional Research Forum Society for Academic Emergency Medicine
April 2004	Moderator – Research Presentations Western Regional Forum Society for Academic Emergency Medicine
April 2005	Moderator – Medical Student Forum Western Regional Forum Society for Academic Emergency Medicine
April 2005	Uncertainty in Medical Education Western Regional Forum Society for Academic Emergency Medicine

March 2006	Moderator – Medical Student Froum Western Regional Forum Society for Academic Emergency Medicine
March 2006	How to Choose an EM Residency Medical Student Western Regional Forum Society for Academic Emergency Medicine
March 2008	How to Choose an EM Residency Western Regional Forum Society for Academic Emergency Medicine

**Local Invited Lectures**

1992	Lightning and Electrical Injuries Emergency Medicine Grand Rounds University of California, Irvine
1992 – present	Grand Rounds at Santa Monica-UCLA Medical Center
1996	Wound Management Overview Emergency Medicine Grand Rounds Loma Linda University
1998	Anorectal Disorders Emergency Medicine Grand Rounds UCLA Medical Center
August 2000	The Health Benefits of Dance Symposium on Dance Coast Community College District
January 2004	Emergency Medicine as a Career UCLA Medical Alumni Association Student Conference
March 2005	Anorectal Disorders Emergency Medicine Grand Rounds UCLA Medical Center

**Harbor-UCLA Medical Center: 1992 – present**Department of EM Grand Rounds, Core Conference, Mortality & Morbidity Conferences

Wound Management Series	Wound Management Overview Pediatric Wound Management Extensor Tendon Repair Techniques Indications of Suture Materials Suturing Children – Part I Suturing Children – Part II Fundamentals of Suturing Laboratory Tissue Adhesive Laboratory Advanced Suturing Techniques Laboratory Plastic Techniques in Suturing
Other Lectures	Anorectal Emergencies

Atlanto-Occipital Dislocations  
Delivering Bad News in the ED  
Emergency Airway Management of the Obese Patient  
Legal Implications of Death in the ED  
Lightning and Electrical Injuries

Guest Lectures at Harbor-UCLA Medical Center

1992 – present

Transitional Intern Conference  
Wound Management  
Internal Medicine M&M  
Necrotizing Fasciitis  
Cardiogenic Shock  
Family Medicine Grand Rounds  
Anorectal Emergencies  
Wound Management  
Pediatrics  
Wound Management in Children  
Basic Suture Lab  
Tissue Adhesive Skills Lab  
Selecting the Right Suture  
Primary Care Conference Series  
Wound Management  
Educational Fellowship Series  
Teaching Procedures: A How-To Approach  
Nurse Practitioner Certification Course  
Basic Wound Management

2003, 2004

How to teach medical procedures  
Primary Care Fellowship Program

**LANGUAGES**

Russian  
Spanish (basic medical)

**INTERESTS AND HOBBIES**

Classical Ballet Dancer (1969 – present)  
Classical Guitar  
Racquetball, Biking
