

## KELLY DEE-ANN YOUNG

### CURRICULUM VITAE

**BUSINESS ADDRESS:** Department of Emergency Medicine, Box 21  
Harbor-UCLA Medical Center  
1000 W. Carson Street, D-9  
Torrance, California, 90509-2910

**TELEPHONE:** (310) 222-3506  
**FACSIMILE:** (310) 782-1763  
**ELECTRONIC MAIL:** [kyoung@emedharbor.edu](mailto:kyoung@emedharbor.edu)

**HOME ADDRESS:** xxxxxxxxxx  
**DATE OF BIRTH:** xxxxxxxxxx

**PLACE OF BIRTH:** xxxxxxxxxx

**MARITAL STATUS:** xxxxxxxxxx

**LANGUAGES:** Spanish – fluent  
American Sign Language – advanced beginner

### EDUCATION:

#### Undergraduate

Degree:	B.S. Physiology	University of California, Davis	1983 – 1987
Minors:	Psychology, English	Davis, California Cum laude graduate	

#### Graduate

Degree:	M.D.	University of California, Irvine Irvine, California	1987 – 1991
Degree:	M.S. Epidemiology	University of California, Los Angeles School of Public Health Los Angeles, California	2000 – 2002

#### Postgraduate

Pediatrics Internship	Harbor-UCLA Medical Center Torrance, California	1991 – 1992
-----------------------	--	-------------

#### Postgraduate Education, Continued

Pediatrics Residency	Harbor-UCLA Medical Center	1992 – 1994
----------------------	----------------------------	-------------

Torrance, California

Pediatric Emergency  
Medicine Fellowship

Harbor-UCLA Medical Center  
Torrance, California

1994 – 1997

**LICENSURE:**

Physician and Surgeon – California  
#G075667

1992 –

**BOARD CERTIFICATION:**

American Board of Pediatrics

1994

–

Recertified 2001

American Board of Pediatrics  
Subboard Pediatric Emergency Medicine  
Recertified 2005

1999 –

**PRESENT POSITIONS:**

Associate Clinical Professor  
Department of Pediatrics  
David Geffen UCLA School of Medicine  
Los Angeles, California

2004 –

Director, Pediatric and Pain Management Education  
Department of Emergency Medicine  
Harbor-UCLA Medical Center  
Torrance, California

**PREVIOUS POSITION:**

Assistant Clinical Professor  
Department of Pediatrics  
David Geffen UCLA School of Medicine  
Los Angeles, California

1997 – 2004

**COMMITTEE SERVICE:**

*National*

Member

Pediatric Emergency Medicine Collaborative Research Committee  
American Academy of Pediatrics

1996 – 2001

Member

Chair

Grants Committee

Society for Academic Emergency Medicine

Responsible for reviewing grant applications and making funding decisions on those applications, leading to \$500,000 of grant funding per year.

2002 – 2005

2006 – 2008

*National Committees, continued*

Member  
Educational Fund Task Force 2007 – 2009  
Society for Academic Emergency Medicine

*Institutional*

Co-Coordinator 1997 – 1999  
Basic Trauma Life Support Course 2004 – 2005  
Harbor-UCLA Medical Center, Torrance, California

Member 1998 –  
Pediatric Community Council  
Harbor-UCLA Medical Center  
Torrance, California

Member 1999 – 2001  
Education Committee  
Harbor-UCLA Research and Education Institute  
Torrance, California

Member 2003  
Ad hoc committee for internal review of the child psychiatry residency program  
Harbor-UCLA Medical Center  
Torrance, California

Member 2004 –  
Medical Student Thesis Committee  
David Geffen School of Medicine at UCLA  
Los Angeles, California

Member 2004 –  
Scholarly Oversight Committee, Pediatric Emergency Medicine and  
Pediatric Critical Care Fellowships  
Harbor-UCLA Medical Center  
Torrance, California

Member 2005 –  
Department of Emergency Medicine Quality Improvement Committee  
Harbor-UCLA Medical Center  
Torrance, California

Member 2005 –  
Pediatric Critical Care Committee  
Harbor-UCLA Medical Center  
Torrance, California

*Institutional Committees, continued*

Member Department of Emergency Medicine Education Committee Harbor-UCLA Medical Center Torrance, California	2007 –
Member Ad hoc committee for internal review of the pediatric residency program Harbor-UCLA Medical Center Torrance, California	2007
Director of Research Acute Care College, David Geffen School of Medicine at UCLA Los Angeles, California	2008 – 2010

**COMMUNITY SERVICE:**

American Academy of Pediatrics Pediatric Advanced Life Support Instructor	1994 –
Basic Trauma Life Support National Faculty, Southern California	1994 –
Physician Surveyor Los Angeles County Emergency Medical Services Emergency Department Approved for Pediatrics (EDAP)	1997 – 2000
American Academy of Pediatrics Advanced Pediatric Life Support Instructor	1998
Advanced Trauma Life Support Provider	2000 –
Harbor-UCLA Research and Education Institute Summer Research Fellowship Mentor	2002, 2004
Parent-Teacher Association Board Montemalaga Elementary Legislative Representative	2003-2005 2008-2009
5 <sup>th</sup> V.P. Communications	2005-2007
Parent-Teacher-Student Association Board Ridgecrest Intermediate Legislative Representative	2007-2009

**PROFESSIONAL ASSOCIATIONS:**

Associate Member, Ambulatory Pediatrics Association	1995 –
---	--------

**Professional Associations, Continued:**

Associate Member, Society for Academic Emergency Medicine	1996 –
Fellow, American Academy of Pediatrics	2000 –
Member, International Association for the Study of Pain	2002 –
Member, American Pain Society	2005 –

**CONSULTING AND EDITORIAL ACTIVITIES**

Consulting Reviewer, <i>Academic Emergency Medicine</i>	1998 –
Member, Editorial Board, <i>Southwest Journal of Medicine</i>	1999 – 2001
Book Reviewer, <i>Annals of Emergency Medicine</i>	2000
Consulting Reviewer, <i>Pediatrics</i>	2004 –
Consulting Reviewer, <i>Pediatric Emergency Care</i>	2004 –
Consulting Reviewer, <i>Annals of Emergency Medicine</i>	2004 –
Member, Editorial Board, <i>Academic Emergency Medicine</i>	2005 – 2008
Consulting Reviewer, <i>The Journal of Pain</i>	2005 –
Consulting Reviewer, <i>Archives Pediatric &amp; Adolescent Medicine</i>	2007 –
Consulting Reviewer, <i>Canadian Journal of Emergency Medicine</i>	2008
Consulting Editor, <i>Annals of Emergency Medicine</i>	2008 –

**OTHER REVIEW ACTIVITIES**

Reviewer, Ambulatory Pediatric Association Abstracts	2004 – 2007
Reviewer, American Academy of Pediatrics Ken Graff Award	2005 – 2009
Los Angeles Biomedical Research Institute at Harbor-UCLA Research Committee Ad Hoc Peer Reviewer	2006 – 2008

**HONORS AND AWARDS:**

Dr. Grace Bell Award for outstanding performance in Biological Chemistry, University of California, Irvine	1988
Dr. Robert W. Earle Memorial Award for excellence in Pharmacology, University of California, Irvine	1989
Evangeline N. Percival Award for excellence in Pediatrics, University of California, Irvine	1991
Merck Manual Award for outstanding academic and clinical work, University of California, Irvine	1991
Janet M. Glasgow Memorial Achievement Citation for outstanding scholastic achievement, University of California, Irvine	1991
Senior Humanitarian Award for outstanding contribution to the prestige and morale University of California, Irvine College of Medicine	1991
2003 Women in Research Honoree Research and Education Institute, Harbor-UCLA Medical Center “A female investigator whose current scientific work shows exceptional promise in contributing to advances in medicine.”	2003
2003 <i>Academic Emergency Medicine</i> Outstanding Reviewer	2003
2006 <i>Academic Emergency Medicine</i> Outstanding Reviewer	2006
Montemalaga Elementary PTA Very Special Person Award To recognize outstanding contributions to the Montemalaga PTA	2007

## Honors and Awards, Continued

Montemalaga Elementary PTA Very Special Person Award 2009  
To recognize outstanding contributions to the Montemalaga PTA

## INVITED LECTURES (Repeated presentations excluded):

### Institutional

*Pediatric CPR: State of the Art* 1996

Department of Pediatrics Grand Rounds  
Harbor-UCLA Medical Center, Torrance, California

*Neonatal Resuscitation* 1997

Pediatric Critical Care Lecture Series  
Harbor-UCLA Medical Center, Torrance, California

*Neonatal Resuscitation* 1997

Department of Family Medicine Noon Conference  
Harbor-UCLA Medical Center, Torrance, California

*Splenic Injury* 1999

Pediatric Emergency Medicine Combined Grand Rounds  
Harbor-UCLA Medical Center, Torrance, California

*Shock: Advanced Pediatric Life Support Course* 1999

Resident Core Curriculum, Department of Emergency Medicine  
Harbor-UCLA Medical Center, Torrance, California

*Pediatric Emergency Medicine Radiography* 1999

Adult / Family Nurse Practitioner Lecture Series  
Harbor-UCLA Medical Center, Torrance, California

*PALS Update* 2001

Department of Emergency Medicine Grand Rounds  
Harbor-UCLA Medical Center, Torrance, California

*Post-traumatic Stress and Pain in Children Undergoing Painful  
Medical Procedures* 2002

“Showcasing our Young Clinical Investigators”  
General Clinical Research Center  
Harbor-UCLA Medical Center and Research and Education Institute  
Torrance, California

**INVITED LECTURES, Institutional, continued:**

<i>Painful Pediatric Procedures: Understanding and Reducing Your Patient's Pain</i> Department of Pediatrics Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2002
<i>Approach to Pediatric Trauma</i> Medical Student Emergency Medicine Elective Core Curriculum Harbor-UCLA Medical Center, Torrance, California UCLA School of Medicine	2002
<i>School Violence: Preventing Columbine</i> Department of Pediatrics Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2003
<i>Introduction to Academic Medicine and Clinical Research</i> Department of Pediatrics Resident Noon Lecture Harbor-UCLA Medical Center, Torrance, California	2003
<i>Procedural Pain in Pediatrics: Long Term Effects</i> GCRC Excellence in Clinical Research Award Ceremony Harbor-UCLA Medical Center, Torrance, California Research and Education Institute, Torrance, California	2003
<i>Pediatric CPR Challenges</i> Emergency Department Approved for Pediatrics Nursing Conference Harbor-UCLA Medical Center, Torrance, California	2003
<i>Success in Academics for Junior Faculty</i> Department of Emergency Medicine Fellows Lecture Series Harbor-UCLA Medical Center, Torrance, California	2003
<i>Introduction to Academic Medicine and Clinical Research</i> Department of Emergency Medicine Intern Lecture Series Harbor-UCLA Medical Center, Torrance, California	2004
<i>PALS Review</i> Emergency Department Approved for Pediatrics Nursing Conference Harbor-UCLA Medical Center, Torrance, California	2005
<i>Immunizations</i> Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2005

<b>INVITED LECTURES, Institutional, continued:</b>	
<i>Fracture Mechanisms: Evaluating for Abuse</i>	2005
Pediatric Emergency Department Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Pain Management: Barriers and Solutions</i>	2005
Department of Pediatrics Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Approach to Pediatric Trauma</i>	2005
Pediatric Critical Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric CPR Challenges</i>	2005
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Otitis Media and Externa</i>	2005
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Pain Management</i>	2006
Department of Emergency Medicine Intern Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Ketamine Dissociative Sedation</i>	2006
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Pain Management: Barriers and Solutions</i>	2006
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Ketamine Dissociative Sedation</i>	2006
Department of Emergency Medicine Core Curriculum Harbor-UCLA Medical Center, Torrance, California	
<i>New Modalities of Pain Control in the Pediatric Emergency Department</i>	2006
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Fever Cases</i>	2007
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	

**INVITED LECTURES, Institutional, continued:**

<i>Mock Pediatric Codes</i> Department of Emergency Medicine Core Curriculum Harbor-UCLA Medical Center, Torrance, California	2007
<i>Immunizations</i> Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>Cases That Almost Got Away</i> Department of Family Medicine Resident Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>New Modalities of Pain Control in the Pediatric Emergency Department</i> Department of Pediatrics Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2007
<i>Pediatric Shock</i> Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2007
<i>Medicolegal Issues in the PED</i> Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>Medicolegal Issues in the PED</i> Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2007
<i>Pediatric Fracture Cases – Is it Abuse?</i> Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>Evaluation of the Crying Child</i> Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>Introduction to Grants or Show Me the Money</i> Emergency Medicine & Critical Care Fellows Lecture Series Harbor-UCLA Medical Center, Torrance, California	2007
<i>Cases That Almost Got Away</i> Medical Student Emergency Medicine Elective Core Curriculum Harbor-UCLA Medical Center, Torrance, California UCLA School of Medicine	2008

<b>INVITED LECTURES, Institutional, continued:</b>	
<i>Topical Anesthesia and Analgesia</i>	2008
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Dermatology Jeopardy</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>JCAHO Jeopardy</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Research in the Pediatric Emergency Department</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Introduction to Toxicology</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Toxicology Jeopardy</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Otitis Media</i>	2008
Department of Emergency Medicine Intern Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Otitis Media / Otitis Externa / Ear Foreign Bodies</i>	2008
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Otitis Media / Otitis Externa / Ear Foreign Bodies</i>	2008
Department of Pediatrics Noon Conference Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Procedural Pain Management</i>	2008
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	
<i>Difficult Conversations in the PED</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	

<b>INVITED LECTURES, Institutional, continued:</b>	
<i>PALS Practicum</i>	2008
Department of Pediatrics Noon Conference Harbor-UCLA Medical Center, Torrance, California	
<i>Holiday Safety</i>	2008
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Otitis Media</i>	2008
Medical Student Emergency Medicine Elective Core Curriculum Harbor-UCLA Medical Center, Torrance, California David Geffen at UCLA School of Medicine	
<i>Pediatric Fever Cases</i>	2009
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Evaluation of the Crying Child</i>	2009
Department of Family Medicine Resident Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Pediatric Cervical Spine Injury</i>	2009
All-L.A. Emergency Medicine Conference Cedars-Sinai Medical Center, Los Angeles, California	
<i>Pediatric Shock</i>	2009
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Tube Tools – Pediatric Airway Management</i>	2009
<i>Guided tour of multimedia software</i>	
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Mercury Poisoning</i>	2009
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>PALS Review</i>	2009
Pediatric Ambulatory Care Lecture Series Harbor-UCLA Medical Center, Torrance, California	
<i>Neonatal Resuscitation</i>	2009
Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	

**INVITED LECTURES, Institutional, continued:**

<i>Pediatric CPR Challenges</i> Department of Emergency Medicine Grand Rounds Harbor-UCLA Medical Center, Torrance, California	2009
<i>Pediatric Emergency Case Presentations</i> Department of Pediatrics Junior Medical Student Lecture Series Harbor-UCLA Medical Center, Torrance, California, UCLA School of Medicine	Ongoing
<b>Regional</b>	
<i>Pediatric CPR Update</i> Los Angeles Pediatric Society Harbor-UCLA Medical Center, Torrance, California	1996
<i>What I Do and How I Got There</i> Freshman Honors Biology Class Carson High School, Torrance, California	2002
<i>Pediatric CPR Challenges</i> Little Company of Mary Hospital Torrance, California	2002
<i>Painful Pediatric Procedures: Understanding and Reducing Your Patient's Pain</i> Little Company of Mary Hospital, Torrance, California	2003
<i>Immunizations</i> Little Company of Mary Hospital Torrance, California	2003
<i>Pediatric Analgesia and Sedation</i> EDAP by the Sea Conference Little Company of Mary Hospital, Fort McArthur, San Pedro, California	2005
<i>Neonatal Emergencies</i> EDAP by the Sea Conference Little Company of Mary Hospital, Fort McArthur, San Pedro, California	2005
<i>Barriers &amp; Solutions to Pediatric Pain Management</i> Pediatric Pain Symposium, AAP, Kaiser Permanente, CHLA Universal City, California	2005
<i>Procedural Pain Management</i> Pediatric Pain Symposium, AAP, Kaiser Permanente, CHLA Universal City, California	2005

**Invited Lectures, Regional, Continued**

- Pediatric Procedural Pain Management* 2006  
CHOC at Mission Pediatric Grand Rounds  
Mission Viejo, California
- Pediatric Procedural Pain Management* 2006  
Kaiser Permanente West Los Angeles Pediatric Grand Rounds  
Los Angeles, California
- Reducing the Pain of Pediatric Procedures* 2007  
Department of Family Medicine Grand Rounds  
Santa Monica – UCLA Medical Center, Santa Monica, California
- Immunizations* 2007  
University of California, Los Angeles, Nurse Practitioner Lecture Series  
Los Angeles, California
- Common Presentations in the Pediatric Emergency Room* 2008  
35<sup>th</sup> Annual Irving M. Rasgon, MD Kaiser Permanente Family Medicine Symposium  
La Costa Resort and Spa, Carlsbad, California

**Invited Lectures, National**

- Shock* 1998  
Advanced Pediatric Life Support Course  
American Academy of Pediatrics Annual Meeting, San Francisco, California
- Update on Immunizations* 2004  
8<sup>th</sup> Annual Spring Conference on Pediatric Emergencies  
Symposia Medicus, Maui, Hawaii
- CPR Challenges: Cases in Pediatric Resuscitation* 2004  
8<sup>th</sup> Annual Spring Conference on Pediatric Emergencies  
Symposia Medicus, Maui, Hawaii
- Cases That Almost Got Away* 2004  
8<sup>th</sup> Annual Spring Conference on Pediatric Emergencies  
Symposia Medicus, Maui, Hawaii
- Taking the Ouch Out of Your Office:  
Assessment and Management of Procedural Pain* 2004  
8<sup>th</sup> Annual Spring Conference on Pediatric Emergencies  
Symposia Medicus, Maui, Hawaii
- PALS* 2005  
2005 Rocky Mountain Winter Conference on Emergency Medicine  
Copper Mountain, Colorado

**Invited Lectures, National, Continued**

*Diminishing Pediatric Procedural Pain* 2005  
2005 Rocky Mountain Winter Conference on Emergency Medicine  
Copper Mountain, Colorado

*New Modalities of Pain Control in the Pediatric Emergency Department* 2006  
American Academy of Pediatrics Section on Emergency Medicine  
Atlanta, Georgia

*Pediatric Fever Cases: When to Reassure, When to Act* 2007  
2007 Rocky Mountain Winter Conference on Emergency Medicine  
Copper Mountain, Colorado

*Career Development Grant Opportunities* 2008  
Society for Academic Emergency Medicine Annual Meeting  
Washington DC

**Invited Lectures, International**

*Fracture Cases: Strategies for recognizing non-accidental injury* 2005  
19<sup>th</sup> Annual San Diego International Conference on Child and  
Family Maltreatment  
San Diego, California

**OTHER TEACHING:**

Acute Care College Foundations Faculty Member 2002 – 2008  
University of California, Los Angeles School of Medicine  
Los Angeles, California

Faculty mentor, Pediatric resident research elective 2003 – 2006  
Department of Pediatrics, Harbor-UCLA Medical Center  
Torrance, California

Faculty moderator, Senior Scholarship Day 2004 – 2008  
David Geffen School of Medicine at UCLA  
Los Angeles, California

Long Beach Polytechnic High School Research Program Mentor 2006 – 2007  
General Clinical Research Center, Harbor-UCLA Medical Center  
Torrance, California

**RESEARCH GRANTS RECEIVED:**

Coinvestigator 1996 – 1997

Principal Investigator: Roger J. Lewis, M.D., Ph.D.

Harbor-UCLA Clinical Study Site

Parke-Davis Pharmaceuticals

“Cost Analysis of the Routine Use of Parenteral IM Fosphenytoin Versus  
IV Fosphenytoin in the Management of Seizures within the Hospital Setting”

Total Direct Costs: \$65,704

Principal Investigator 1997

Harbor-UCLA Clinical Study Site

Viro-Pharma, Inc.

“Emergency Medicine Enterovirus Research Group Evaluation”

Total Direct Costs: \$1,750

Principal Investigator 1997 – 1998

Harbor-UCLA Clinical Study Site

Viro-Pharma, Inc.

“A Double-blind, Placebo Controlled Trial of VP 63843 in the Treatment of  
Enteroviral Meningitis in Children and Adolescents”

Total Direct Costs: \$38,823.35

Principal Investigator 1997 – 1998

Harbor-UCLA Clinical Study Site

Viro-Pharma, Inc.

“A Double-blind, Placebo Controlled Trial of VP 63843 in the Treatment of  
Enteroviral Meningitis in Adolescents and Adults”

Total Direct Costs: \$12,196.02

Principal Investigator 1998 – 1999

Harbor-UCLA Clinical Study Site

Viro-Pharma, Inc.

“A Double-blind, Placebo Controlled Trial of Pleconaril in the Treatment of  
Enteroviral Meningitis in Children and Adolescents”

Total Direct Costs: \$14,098.05

Principal Investigator 1998 – 1999

Harbor-UCLA Clinical Study Site

Viro-Pharma, Inc.

“A Double-blind, Placebo Controlled Trial of Pleconaril in the Treatment of  
Enteroviral Meningitis in Adolescents and Adults”

Total Direct Costs: \$9,921.58

**RESEARCH GRANTS RECEIVED, Continued:**

Principal Investigator 1999 – 2000  
Harbor-UCLA Clinical Study Site  
Viro-Pharma, Inc.  
“Natural History Study of Viral Meningitis in Young Children”  
Total Direct Costs: \$784.31

Principal Investigator (75% effort) 2000 – 2006  
K23 RR16180  
National Institutes of Health, National Center for Research Resources  
“Post-traumatic Stress and Pain in Children Undergoing Painful Medical  
Procedures; Ethnic Differences and their Effect on the Benefit of  
Interventions for Alleviation”  
Total Direct Costs Projected: \$620,000

Mentor (5% effort) 2003 – 2004  
Principal Investigator: Melissa Jones, MS II  
Medical and Dental Students Program  
Harbor-UCLA Medical Center General Clinical Research Center  
“Post-traumatic Stress and Pain in Children Undergoing Painful Medical  
Procedures; Ethnic Differences and their Effect on the Benefit of  
Interventions for Alleviation”  
Total Direct Costs: \$25,000

Mentor (5% effort) 2004  
Principal Investigator: Steven MacLean, MS II  
Medical Student Research Training Program (MSRTP) Summer 2004  
University of Washington, Seattle, Washington  
“The use of pain management techniques on pediatric patients during minor  
emergency procedures.”  
Total Direct Costs: \$3,500

Secondary Mentor (2% effort) 2005 – 2007  
Fellowship Applicant: Michelle A. Charfen, MD  
Society for Academic Emergency Medicine (SAEM)  
“High Yield Predictors of Diabetes in ED Patients”  
Total Direct Costs: \$150,000

Associate Investigator (5-10% effort) 2007 – 2012  
PI: Henry Chambers, Site PI: Loren Miller, MD  
NIH NIAID DMID 07-12  
“Randomized, Double-Blind Trial of Clindamycin, Trimethoprim-Sulfamethoxazole, or  
Placebo for Uncomplicated Skin and Soft Tissue Infections Caused by Community  
Methicillin-Resistant *Staphylococcus aureus*”  
Total Direct Costs:

**CONSULTING ACTIVITIES**

Corgentech, Inc. Advisory Board

2006

May 17, 2006, San Francisco, California

Review research studies and provide consultation regarding marketing of product 3268, a needleless product to rapidly deliver local anesthetic for venipunctures.

Total compensation: \$1250 + travel costs
